COMPRESSED AIR MODULE

No compressed air in your facility? We have a solution for you!

Take it on the go! All you'll need is an outlet.

The Compressed Air Module is an option for any Web Techniques Rewind System! This option will alleviate the hassle of converting your facility to accommodate compressed air for your rewind system!

Compressed Air Module

Features:

- Comes equipped with an in-line filter and desiccant air dryer combination.
- 2.0 Gallon (Rust Free) Aluminum Tank
- Oil-Free Pump for Less Maintenance & Costs

Benefits:

- **Ultra-Quiet at only 56 Decibels!**
- Mobile friendly to always have compressed air at off-site events!

This is my pledge to our customers. If it is not right we will make it right. We follow the Golden Rule at Web Techniques and treat others as we would want to be treated. If you ever have any questions or concerns about a Web Techniques product or service feel free to contact me directly. Thank you for your business!
